We bring to you the art lovers and philanthropists, artworks from both upcoming and Internationally reputed creative artists. You can have the experience of being part of world-class exhibitions through our virtual portal. We are here to champion the under-represented artists and seek to foster relationships to bring exposure and International visibility to them. By assembling prominent voices within the arts on art appreciation and criticism we seek to reach out to the community at large to engage in cultural discussions and learning. As part of "art for all" we are looking to experiment by taking art to the streets and letting the interested and the enthused to discover themselves in the creative space by expressing their experiences in various art media.

# RURAL REFORMERS

Rural  
Reformers

Rural Reformers envision education for all children in India, increasing the likelihood of employment of our youth thus helping in nation-building. The focus is currently on inclusive education for all resulting in equal education opportunity for every child in India.

Rural Reformers are supporting FourthWave Foundation for School Readiness Program that will enable access to quality education to children with disabilities until these children transition into mainstream education in a phased manner.

## SCHOOL READINESS PROGRAM

Accessibility to education for Children with Special Needs is a major challenge in our villages. Children With Disabilities in villages are still seen as the "curse of God" or "a misfortune", grossly neglected, and very often relegated to the four walls of a small room.

### Purpose OF SRP

The vision is mainstreaming Children with Special Needs (CWSN) through an inclusive education approach. To achieve this, the NGO, Fourthwave Foundation has been working with the Karnataka government on a program named as "School Readiness Program - SRP".

This program runs from centers located in government selected locations providing –

- Physiotherapy and medical assistance to children with disabilities.
- 2. Coaching on skills needed to be self-sufficient and self-reliant for their day-to-day activities.
- 3. Training to be ready to join the regular school stream.

### Short Term Objective

- Sustenance of SRP (School Readiness Program) in Rural Karnataka - For keeping the School Readiness Program (SRP) center in Hubli-Dharwad operational, the NGO needs immediate funds without which the centers supporting 300 Children and staff/teachers will close.

### Long Term Objective

- Building Mini – SRP (School Readiness Program) - We are creating Mini-SRPs in Rural Karnataka to reach closer to the children with disabilities where access to quality education is a challenge. Each Mini - SRP will support 15-20 children with disabilities from the local neighboring villages for a period of 3 years to enable and transition these children into mainstream education in a phased manner.

### Mini-SRPs

We are creating Mini-SRPs to reach closer to Children with Special needs in villages that will be accessible for the children without the hassle of travelling a long distance(25-30KMS) to reach centers and increase participation.

Two M-SRP centers will function as

- Mini - School Readiness Program (M-SRP) Centers - for children with special needs.
- Citizen Literacy Program (CLP) Centers - Adult school in the evening and awareness sessions.
- Specialist Telemedicine (ST) Centers - Consultations on weekends with Specialist Doctors for the people in the village

## ART FOR A CAUSE

Art Cube Gallery is presenting an Art Exhibition with **Exclusive Artworks from 20 South Indian Artists** from 11 to 17 April 2022 at **Karnataka Chitrakala Parishath, Bengaluru** for a social cause.

The NGO Rural Reformers have been engaged in supporting rural education of children with special needs through various fundraisers. Part of the proceeds from the Art Exhibition will go towards this social cause. Tax exemption under 80G can be availed for your contributions for the same.

The artworks on display are original and creative from both established and upcoming artists from South India. The categories cover multivarious emotions and moods from nostalgic childhood memories to addressing this day's need-of-the-hour issues, from romantic expressions to inner deep subconsciousness, from the yogic state of mindfulness to capturing euphoric moments, from celebrating a tiger's magnificence to relishing the grace of swans, both in abstract and symbolic rendering.

Do support us with the cause and experience the storytelling of these unique creative artists who have narrated the stories with their careful brushstrokes, free play of color, time, and space.

As part of the Art exhibition, a unique **one-of-a-kind LIVE Art Show** will be held on **15 April 2022** at 6 pm on the occasion of World Art Day on the same premises. On that evening Internationally renowned artist **Shri. A V Ilango** will capture live on canvas the guile movements and the nuances of a **Mohiniyattam dancer** as she performs on stage. Do not miss this rare opportunity of being physically present to both witnesses and support the cause as the painting will be auctioned.
